Modified daily activities, transitions, and social interactions
Social distancing when possible
Facial coverings required where 6 feet spacing is not possible

PANTHER PLAN 2

Available Third through Eighth Grade

Synchronous Virtual Instruction using Google Classroom as the LMS
(learning management system)

Students will login following their regular schedule
Instruction will be live
Assignments and grading will be the same as in the face to face classroom

PANTHER PLAN 3

Available Pre-kindergarten through Eighth Grade

Asynchronous Virtual Instruction using Seesaw (lower grade levels) or
Google Classroom as the LMS (learning management system)

Students must login daily to each course on their schedule
Students watch the recorded session of each class, and complete the
accompanying activity prior to midnight
Credit and attendance is based upon daily assignment completion
Assignments and grading will be the same as the face to face classroom

Guidelines will be in place to control movement between student support plans.

In the event MISD closes virtual instruction, all students must return to face to face instruction.

In the event MISD must close face to face instruction, all students must participate in a virtual instruction model.
