

Meyersville Independent School District  
On-Site Sewage Facility Project  
Meyersville, Texas

Addendum No. 1

Issued: March 10, 2020

The following Addendum is made pursuant to the Request for Competitive Sealed Proposals issued on February 25, 2020 for the On-Site Sewage Facility Project (“the Project”). This Addendum shall be fully incorporated into the Request for Competitive Sealed Proposals and have the same force and affect. If any portion of this Addendum conflicts with the Request for Competitive Sealed Proposals, the Addendum shall take precedence.

**REVISED**

**The undersigned agrees, if this proposal is accepted and a contract executed, to commence Work upon a date to be established in the written “Notice-to-Proceed”, which is anticipated to be provided on or about April 1, 2020. Contractor shall attain Substantial completion of Work not later than June 1, 2020.**

I (we) acknowledge receipt of the addenda:
