September 25, 2020

Dear Parents and Guardians,

This letter is to inform you that October 9, 2020 will be MISD's last day of on-line remote instruction. Beginning October 12th, MISD will only offer face-to-face instruction. Under the traditional learning model, all current MISD students are accepted and encouraged to remain a part of our MISD Family.

All MISD students are expected to return to on-campus instruction starting October 12, 2020. If you have not checked your child in by this date, they will be considered absent.

Families who do not want their child to return to face-to-face instruction will have the option to home school their child or transfer to a district that offers online instruction. Although MISD does not want to lose any of our current students, it is ultimately a parent decision for what is in their child's best interest. If you choose to not participate in on-site instruction, you must withdraw your student from MISD.

We understand not everyone will agree with this decision; however, we believe this is the best option and in the best interest for MISD students and staff. MISD will still follow our STRONG START plan and maintain all health and safety measures currently in place including social distancing, personal protection equipment requirements, additional school cleaning, and campus visitor restrictions.

MISD is in week six of instruction with zero reported incidents involving our students and staff contracting COVID-19.

As of October 12, students will only have access to remote online learning if they are on a mandatory quarantine by MISD, a physician, or medical clinic. If a student is quarantined, MISD will offer instructional support just as we would for any other illness.

Sincerely,

A handwritten signature in blue ink, appearing to read "Kelly Dunn", is written over a large, light blue circular stamp or watermark.

Kelly Dunn

Meyersville ISD Superintendent
